Gentlemen, Re land under high level bridge at Lethbridge.

Referring to your letter of the 1st of June last, I am directed to say that the matter has been referred to the Department of Public Works , by which Department it has been referred to its Engineer for report, on receipt of which you will be further advised.

Your obedient servant,

Assistant Secretary.

Messrs. Ewart, Scott, Maclaren & Kelley,
Solicitors,
The Canadian Pacific Railway Company,
Ottawa.

[illegible], Alta., Sept. 18, 1911.

Sir,-

I beg to return herewith file No. 4048 regarding application of the Canadian Pacific Railway Company for license of occupation of the surface rights of land covered by the waters of the Belly River in Section 36, Township 8, Range 12, West of the 4th. Meridian and lying within the right of way of the Canadian Pacific Railway, which the Company request in connection with their high level bridge at that point.

I would say that on the 15th., inst., I made an examination into this matter and beg to report as follows:-

From the file I would judge that the application asks for surface rights of the land covered by waters of the Belly River at this place only in so far as the land which is covered by water at the normal height is concerned and not that covered at high or freshet season, in other words, in the bed of the river.

There are six sets of pedestals in this structure in the river bottom and which may be liable to erosion or damage otherwise by the water. They are Nos. 47 to 52 inclusive and are spaced as follows:- 67'3" 100' 67'3" 100' 67'3". The bank on the west side rises abruptly from the water level, while there is an extensive flat on the east side of the river. The west bank, which is clay, is protected at the viaduct crossing by a concrete retaining wall with wooden sheeting in the front thereof. The foreshore on the east bank is gravel underlaid with fine material, while the bottom of the stream has a deposit of silt. There is a swift current here which carries considerable sediment, and at the time of the examination a quantity of drift

weed

E.D. Lafleur, Esq.,
Chief Engineer, Dept. Public Works,
OTTAWA, Ont.

wood had gathered at the nose of several of the piers. There is a 400 ft. right of way at this point. The river could not be considered navigable where the bridge crosses ; there are no dwellings or other buildings likely to be affected by work such as the Company petitions for in the file herewith.

I do not see that there can be any objection to the desired petition being granted so far as the Department is concerned, and I would recommend that the Canadian Pacific Railway be allowed the surface rights at the locality above mentioned, they to allow sufficient room between any works erected in the river for this purpose to permit a free and unobstructed current at all times . That they further be required to assume responsibility for and make good when necessary any erosion of the bank or banks in the vicinity of the works due to the erection of any work or works for the purpose applied for in this petition.

Yours obediently,

Gentlemen:-

We have under high level irrigation at Lethbridge.

In further reference to the departmental letter of the 3rd of November last, I am directed to say that the Department of Public Works has stated that there can be no objection to the petition of your company in regard to a license of occupation being granted so far as that Department is concerned, provided the Company allows sufficient room between any works erected in the river for that purpose, to permit a free and unobstructed current at all times. That they further be required to assume responsibility for and make good such necessary, any erosion of the bank or bed in the vicinity of the works, due to the erection of any dam or works for the purpose applied for in this application.

I am further to say that before the license of occupation would be granted, it will be necessary, that if the proposed works should interfere with the present or any riparian proprietor on the said side of the river, the Company should obtain and file here the latter's consent thereto, [illegible] of fact.

SAS'K-I. [illegible], [illegible], 191[illegible].

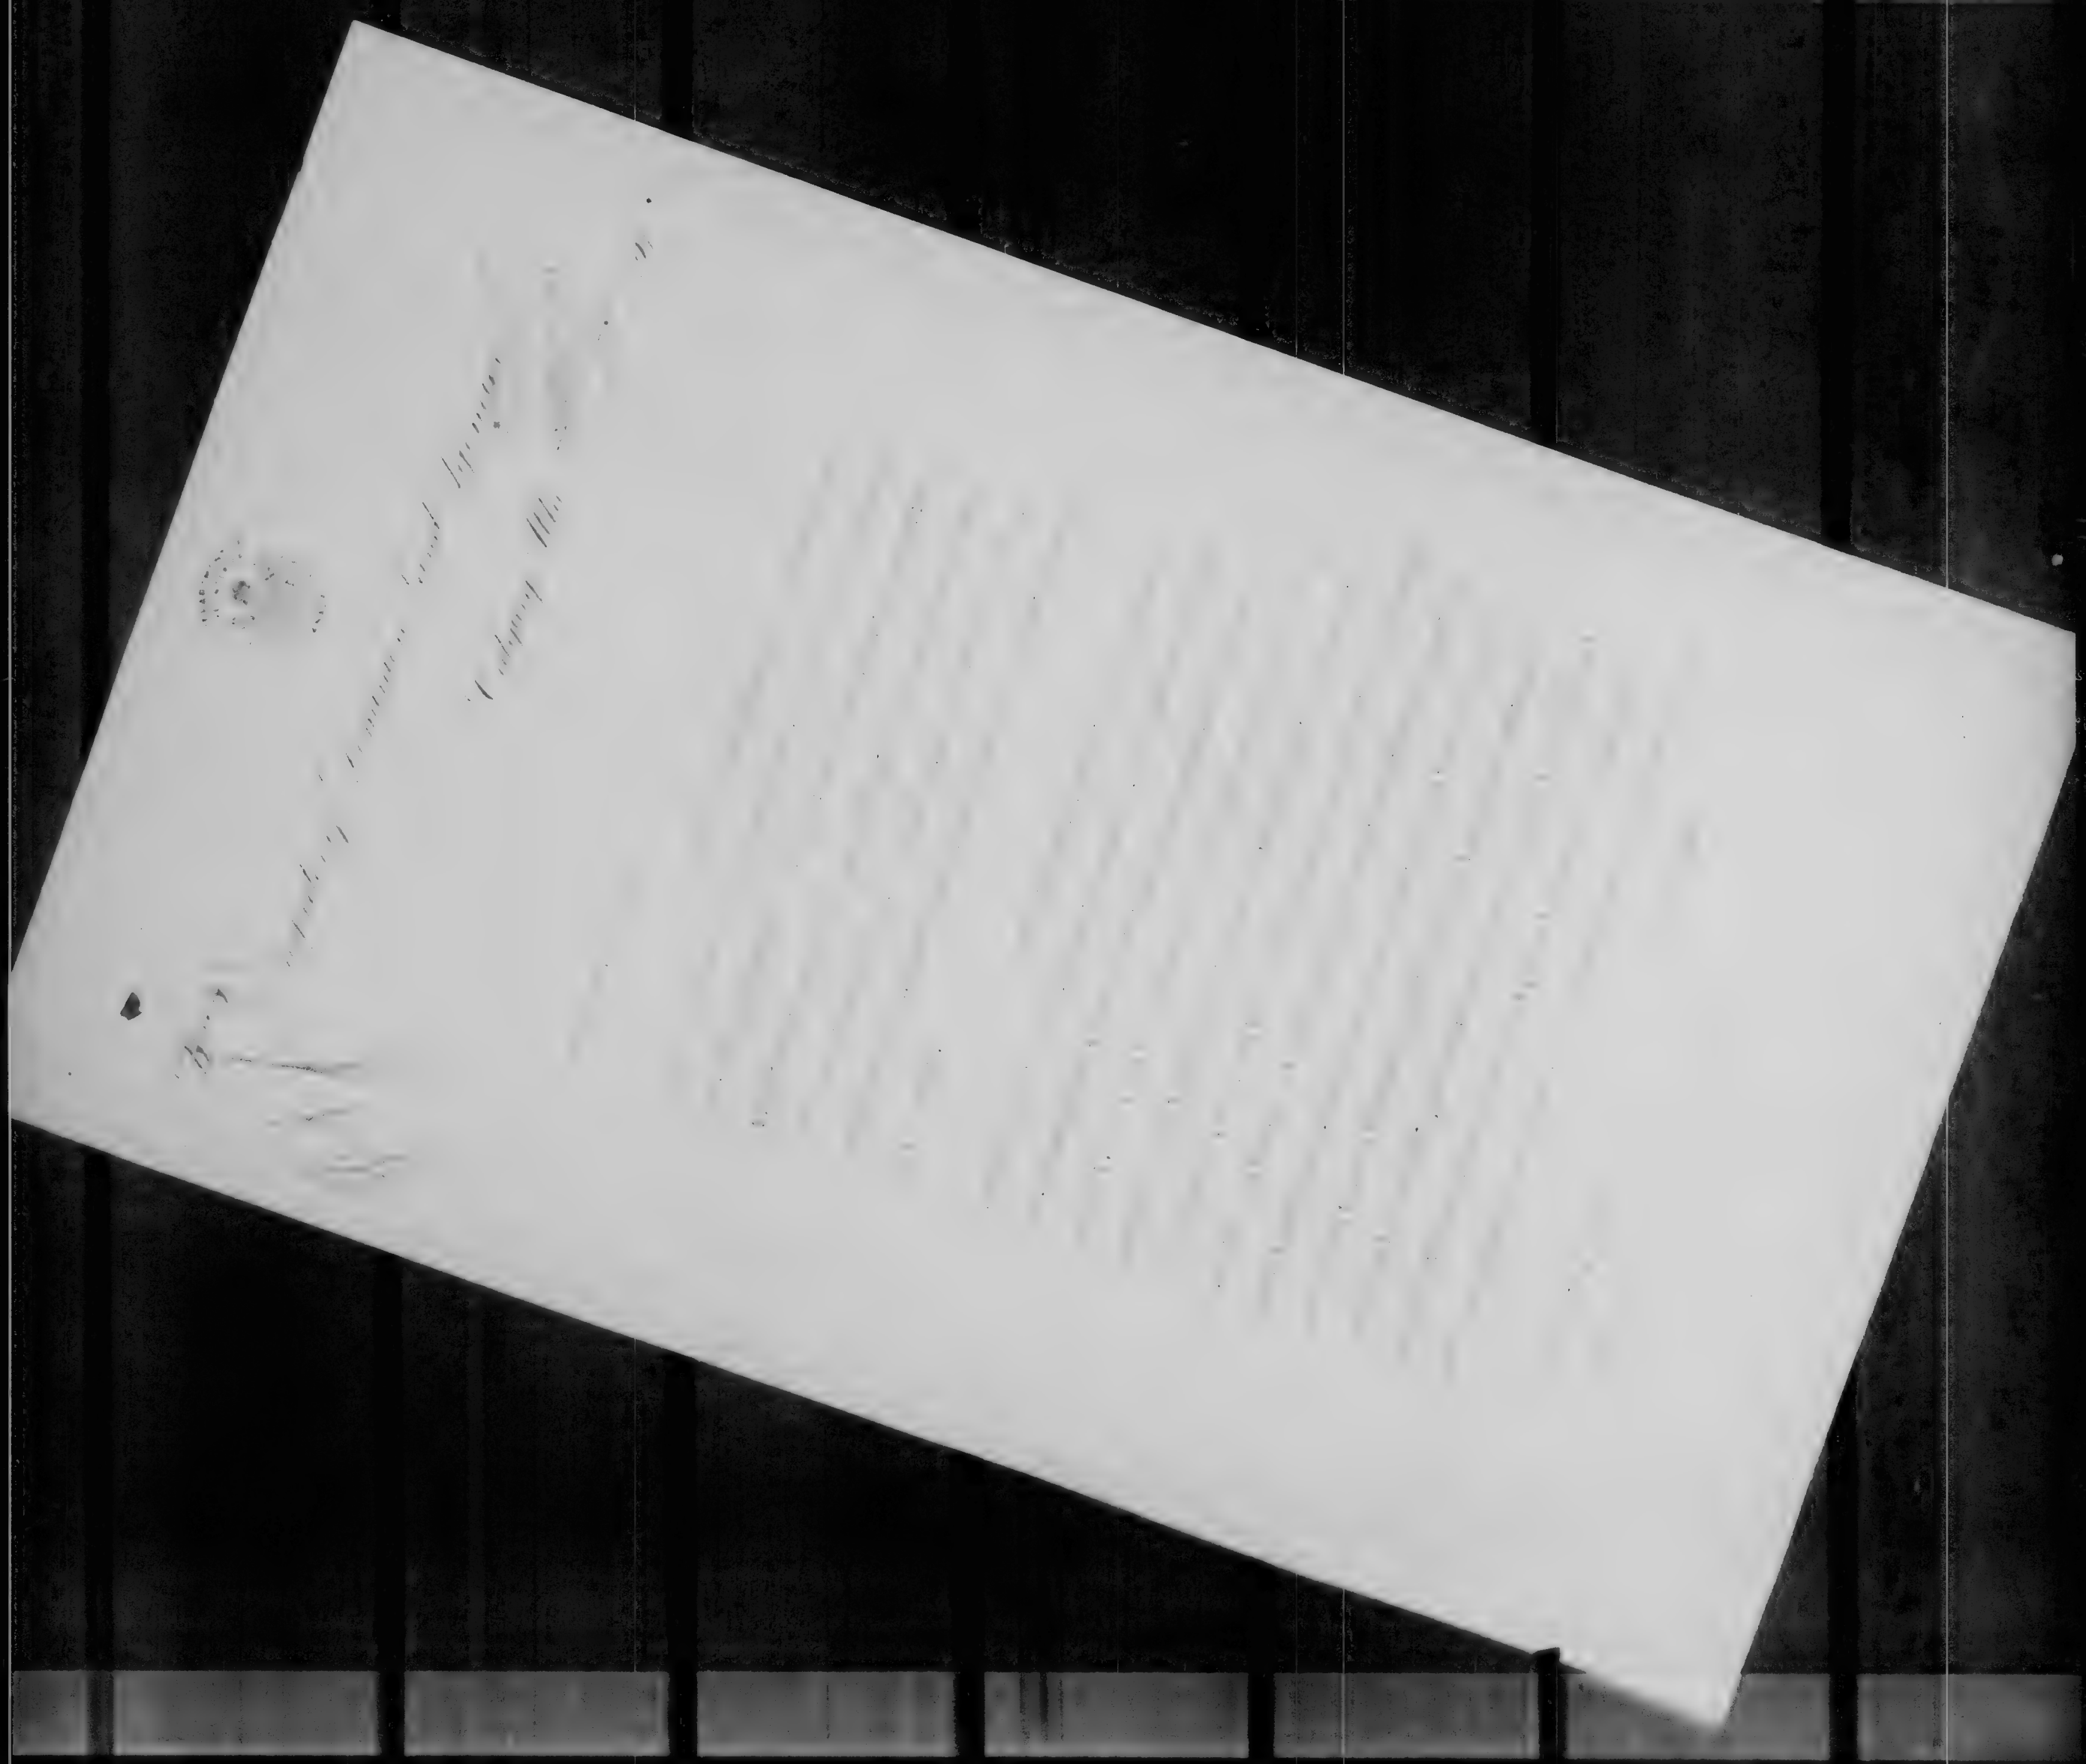

Sir,

I beg to acknowledge receipt of your letter of the 9th inst., enclosing copy of one from Mr. Neil. MacKerrie, wherein he complains of the treatment he received at this office, apparently some little time ago.

It is observed in the correspondence which you forwarded that no land is noted, but it is believed to refer to the S.E. ¼ of 32-44-24 W. 4th. Such being the case, I beg to say that the fact as recalled here, is that some time very early in the month of March, an inquiry was made at the counter regarding this particular quarter-section, but at the time, the survey plan of the township was not-ready. There was also some doubt as to the area of the quarter-section, it being uncertain from the township register, whether the area should have been 16, 160, or 161 acres, a vertical stroke having been placed through the cipher in the number (160). This, I think, was pointed out to Mr. MacKerrie at the time, and it is also possible that he was informed that unless he could subscribe to the usual affidavit that there were no improvements on the land, or that there were not over 5 acres of cultivable scrub, I could not grant the entry.

According to a memo-book in this office, dated [illegible] relative calling attention to Mr. MacKerrie's visit to the office, and the refusal of entry on [illegible]

but it [illegible] remembered at the time, that the first [illegible] on the above [illegible]. [illegible] [illegible] [illegible]

Memorandum:-

In reply to Memorandum, Department of the Interior .123534g2, of 2nd inst., Instant, the under signed has to say -

1. In the Militia Roll, which gives the names of persons in whose favour Military Warrants were issued for service in the North-West in 1870, and the years immediately subsequent thereto, there appears the name of T.D.Gilmour as the Grantee of Warrant No.0272, also the name James Gilmour as the Grantee of Warrant No.0273, also the name John Gilmore as the Grantee of Warrant No.1254, and the name Joseph Gilmore as the Grantee of Warrant No.1275. The two first mentioned, that is T.D.Gilmour and James Gilmour, are said to have gone out with the First Ex edition, May, 1870, and the two last mentioned, John Gilmore and Joseph Gilmore, in the Fourth Expedition, which went out in 1870. (It may here be remarked that a mistake might easily have occurred in transcribing to the Roll the name T.D. Gilmour. The transcriber may have mistaken a "J" for a "T").

2. It has to be said that the name T.D. Gilmour does not appear in any one of the Pay-lists of the 2nd Quebec Battalion of the Red River Expedition, nor does the name J.D. Gilmour.

In one of the Returns the Paymaster states that he served [illegible] of the Quebec Battalion, under [illegible]

Captain Sam McDonald's Company. He was, however, the Color Sergeant in Captain Allan MacDougall's Company. But, as already stated, the claimant's name was not on our Pay-list, nor in any other of the Battalion in question. The name "J.Gilmour", probably "James" as shown on the Pay-list of Captain Sam McDonald's Company. He could not write his name, and whose name was written by the Color Sergeant.

In one of his declarations the claimant states that some of his comrades in the Company were Sullivan, Mitchell, Clark, Lindsay, Griffith and Galloway, as well as Color Sergt. Constantine. All those names, except that of Constantine, are on the Pay-list of Capt. Sam McDonald's Company.

3. Of course, the name "T.D." or "J.D." Gilmour must have been found somewhere on the Militia Department could not very well have issued the Warrant in question, but, where it was found, there is nothing now in the Department to show. The claimant seems to be a man of good business standing in Montreal, and one can hardly believe that he would make two declarations which are not truthful respecting a matter which is not of any great value, yet the undersigned would concur in your suggestion, that it would be well for Mr. Gilmour to make, not a mere statement, but a solemn statutory declaration as to his services, and if he was still not entitled, such service, I am not to benefit from them, but it is [illegible]

Gilmour may be able to get him to certify as to the identity. The present headquarters of Mr. (probably temporary) [illegible] may be easily obtained from the Comptroller of the North-West Mounted Police.

Sir,

With further reference to my letter of the 17th instant, respecting the application of Mr. J. D. Gilmour, for Military Bounty Land Warrant, for service in the Red River Expedition, I am directed to inform you that, before any steps can be taken towards the delivery of the Warrant in question, it will be necessary for Mr. Gilmour to file in this Department a Statutory Declaration setting forth what service he performed during the Expedition, and where he was stationed during such service, together with a Certificate from some person cognizant of the facts, setting out that he is the person who actually served in the Expedition, who should also state whether or not there was a man named J. Gilmour, in the Company.

In this connection I may state that Color Sergeant Constantine, to whom reference has been made, is now Superintendent Constantine of the Royal North West Mounted Police at Prince Albert, and that Mr. Gilmour may be able to obtain from him a Certificate as to his identity.

It is observed that Mr. Gilmour signs as "J. D. Gilmour"; His full name should be inserted in the Statutory Declaration asked for.

Memorandum,-

In reply to Department of the Interior Reference [illegible] 9th May, instant, the undersigned has perused the new evidence produced, and has come to the conclusion that Mr. James Dickson Gilmour has satisfactorily established that he is the T.D. Gilmour in whose favour Militia Land Warrant No 0362 was issued, for service in the 1st Red River Expedition. The signature "W.T. Lindsay" on the certificate produced by the claimant has been compared with the signature "W.T. Lindsay" on the Pay List of Captain Samuel Macdonall's Company of the Queens Battalion of Rifles, for the month of June, 1870, and the one appears to be identical with the other.

Also, the undersigned personally knows Major C.E.A. Patterson, of the 95th Regiment of Infantry, and believes the [illegible] of the statement contained in his certificate of 4th April last, also produced by the claimant.

DECLARATION OF ABANDONMENT.

In the Matter of the S. E. 1/4 of Section 20
Township 14 Range 2 West of the 4th Meridian.

I, Herbert Finlay Malcolm
of Lanark Province of Ontario
do solemnly declare:—

That I made entry for the above mentioned land as a settler
at the Dominion Lands Office at Medicine Hat, Alta on
the ~~3rd~~ 26th day of October 1911,
and I now ask to have entry cancelled for the following reasons, namely:—

The climate is so dry that the land is unprofitable.
Unconditional.

If this application is not approved, abandonment will be considered unconditional and land will be disposed of by S.W. 1/4 -21-14-2-4th m.
in accordance with regulations.

I lived for four years on the homestead and spent three years in the Canadian army 1916-1919. For these three years of army service the Dept. of the Interior gave me credit for residence on the pre-emption.

The pre-emption I leased and used as pasture, dug a well 16 ft deep, and broke about 60 acres of land. The required improvements I did on the homestead.

In a year's time I may re-enter for other land.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Dear Sir:-

-Re William Albert McKelvey and re Volunteer Bounty Land Warrant No. 4600.-

In this matter we obtained for Mr. McKelvey the above Bounty Warrant, and still have it in our possession. Before the regulations of the Department of Militia were generally known, however, we had obtained from Mr. McKelvey a special power of attorney to appoint a substitute in the form enclosed dated 21st November 1908, and on 1st Feb. 1909 we executed power of attorney in blank as enclosed. Since giving the power of attorney Mr. McKelvey has disappeared, and although we have made continued search we are not able to find his whereabouts. Would it be within the scope of your duty to advise us if the enclosed documents would be recognized by your department as constituting a good title in a substitution for Mr. McKelvey under this warrant?

Short title.

1. This Act may be cited as *The Volunteer Bounty Act, 1908*.

Application of Act.

2. This Act shall apply to all volunteers then domiciled in Canada who served with the British forces in South Africa during the years 1899 to 1902, both inclusive, or who, being so domiciled, enlisted with or were appointed to Canadian corps and arrived in South Africa for the purpose of so serving, but, owing to the close of the war, were not on active service.

2. "Volunteers" shall be deemed to include female nurses.

Grants of land authorized.

3. The Governor in Council may grant to every such volunteer or, in the event of his death between the date of his enlistment or appointment and the 31st day of December, 1910, to his representative, two adjoining quarter-sections of Dominion lands available for homestead entry, subject to the conditions herein specified.

Conditions.

4. Every such grant shall be subject to the conditions that the grantee or his substitute duly qualified in that behalf as mentioned in the next succeeding section, shall select and enter for the said two quarter-sections in the Dominion lands office for the land district in which they are situated on or before the thirty-first day of December, nineteen hundred and ten; that he shall perfect his entry by commencing actually to reside upon and cultivate the land within six months after the said day; and that he shall thereafter reside upon and cultivate the land

...for the period, and in accordance with the terms and conditions prescribed by the homestead provisions of *The Dominion Lands Act*.

Substitutes

5. No person shall be accepted as a substitute unless he is a British subject, or declares his intention of becoming a British subject, and is of the age of eighteen years at least, until he has filed at the Department of the Interior at Ottawa, an instrument executed in his favour by the grantee, in the form A in the schedule to this Act, the execution of which has been duly proved by an affidavit, in the form B in the said schedule to be made by a subscribing witness to the execution of such instrument, before some one authorized to administer an oath under the provisions of section 25 of *The Interpretation Act*.

2. In the case of a substitute the land shall be entered, and the patent therefor shall issue in his name, but no patent shall issue to any such person until he has become a British subject.

3. No such instrument shall be accepted or recognized by the Department which is not executed and dated after the date of the warrant of the Minister of Militia and Defence provided for in section 7 of this Act.

Scrip may be granted instead of land.

6. Any person entitled, under the foregoing provisions, to select and enter for, either by himself or by his substitute, land as a homestead, may, in lieu thereof, if he or his substitute so chooses, receive scrip for one hundred and sixty dollars, which shall be received from the bearer at its face value in payment of any Dominion lands open for sale: Provided that any person choosing to take scrip shall notify the Minister of the Interior of his choice on or before the thirty-first day of December, nineteen hundred and ten.

Sir,-

I was not personally acquainted in this case, as I do not think I would have required the matter to you for advice, as it has been the invariable practice of the Department to refuse to recognize Powers of Attorney in any of these cases. I also [illegible] there is another point in connection with this case which may have escaped your notice: namely, that the Power of Attorney was executed prior to the issue of Military Warrant by the Minister of Militia & Defence. It seems to me on that ground alone it could not be accepted by this Department in view of the provisions of sub-section 7 of Section 5 of the Dominion Land Act, 1908, a copy of which is attached hereto.

Gentlemen,

With reference to your letter of the 27th July last, enclosing for inspection an instrument purporting to appoint the substitute of William Albert McKelvey, to whom South African Volunteer Bounty Land Certificate No. 4395 was issued, which has, however, been executed by the Attorney of the said William Albert McKelvey, and not by the Volunteer himself, together with the Power of Attorney from him in favour of Charles Frederick Adams, dated the 21st November, 1908, I am directed to inform you that the instrument in question, even if completed by having the name of the substitute inserted therein, could not be accepted by this Department, as it has not been executed by the Volunteer himself.

Re the application of the Edmonton Country Club to purchase the frac. S.E.¼ 14, West of the River, and the frac. N.E.¼ 10, North of the River, Tp. 53, Rge. 25, W. 4th M., containing together 9.25 acres.
Shown on the attached sketch coloured green.

The Country Club was advised that, upon filing an abstract of title, showing evidence of ownership of the adjoining E.½ of Section 14, it might purchase the parcels applied for at the current rate of $7.00 an acre.

The Country Club has now filed certified copies of an Agreement of Sale of the said E.½ of Section 14, showing that $8600.00 has been paid on account of sale and that $20,000.00, the balance of the purchase price is to be paid by 1914.

I think that, in view of the substantial payments already made, the applicants might be advised that the purchase of the lands under consideration may now be completed.

Sir,

I have been in communication with the Department of National Defence,-their file No. 92-4-5,- requesting return of copy of discharge certificate from the Prince Alfreds Guards, Port Elizabeth, South Africa, lodged with the Militia Department early in 1911, I believe, when requesting grant of land for South African war service.

The Defence Department state they are unable to trace the document in their files and suggest I address you as possibly you would retain it after the grant of land was made.

I would be glad to have the document or a certified copy as soon as possible if you are able to trace it.

Thanking you in anticipation of your attention and regretting having to trouble you.

I am, Sir,

Yours faithfully.

Preemption Entry

I beg to acknowledge receipt of your declaration of abandonment for your preemption, the above described land, together with your expired Certificate of Recommendation, No. 17250, wherein you state that you would like to get a grazing lease on this land.

In reply I am to inform you that before accepting your abandonment it would be advisable to inform you that in the event of your entry being cancelled, and in view of information filed here, the land would be posted for settlement. This action, however, would not prevent you from applying for a grazing lease provided there are no applicants who desire to homestead the quarter-section, but no assurance can be given you that you will be granted a lease of the land as you would have to take your chances with the general public.

W.P.L.

Under the circumstances you may wish to withdraw your abandonment, and you are allowed a period of thirty days from this date within which to communicate with the Department and do so. If nothing is heard from you within the time allowed it will be assumed that you have no more interest in the land and your entry will be cancelled on your declaration of abandonment.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force —

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability secured or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or resign therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re. M 6-30-1,W4

An inspector attached to this office who recently visited the above land has reported that you secured a crop from 200 acres of wheat on this quarter section and rented land. In view of this considerable acreage, and the fact that your indebtedness to this Department for seed grain advances has been outstanding approximately seven years it is considered you should discharge your debt from your crop revenue. I would ask you, therefore, to favor me with your remittance at an early date.

Your account on the 31st of March last amounted to $96.25, including both principal and interest, and to this should be added interest at the rate of seven per cent on the principal sum of $64.50 from the date mentioned.

As it appears that no response has been received to the several Departmental communications addressed to this man in connection with his indebtedness for seed grain advanced in 1919 on the security of the above described land, it would be well to look into the case early this year so that attention may be given to collection after harvest.

You reported on this case on the 11th January last and stated that Mr. Bailey intended to seed 500 acres on land owned by himself and rented land. The Inspector has not furnished a description of the land on which Mr. Bailey's crop was produced, and I am requesting him to furnish that information. The lien in this case is of the year 1919, and apparently is not a charge against the debtor's patented homestead, the SW¼ of Section 6. Re: Account of James Rollie Bailey
N.W. 6-30-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $64.50 was advanced to James Rollie Bailey on the security of the above mentioned land. A payment of $1.60 was received in 1928, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 64.50	$ 147.53	$ 212.03

The N.W. 6-30-1-W4 was formerly the pre-emption entry of James Rollie Bailey on which security he obtained an advance of seed grain in 1919. On the 6th of February 1926 the debtor abandoned the land and his entry was cancelled.

In reply to our questionaire of the 14th of January 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land covered at present by a long term grazing lease as issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

James Scott.

I beg to inform you that evidence has been filed in this Department showing that the lien for $68.00 given to His Majesty in the right of the Dominion of Canada by James Scott of Erskine, Alta., in connection with the SW¼ 7-12-1-W.4th M. has been wrongfully registered in the Land Titles Office against the N.½ 22; SW¼ 35 and SE¼ 15 all 30-17-W.4th M. standing in the name of James Scott of Delia, Alta., who is not the same person as the lienor above mentioned, and that the said lien illegally clouds the title to the last mentioned lands.

You are, therefore, hereby authorized and requested to remove the lien for $68.00 from the North half of Section 22, the South-east quarter of Section 35 and the South-east quarter of Section 15, all in Township 30, Range 17, West 4th Meridian.

Homestead entry of

Date of entry

I beg to call your attention to the fact that this entry is now over five years old. Unless some primary cancellation proceedings are taken on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the inspector's report shows no duties performed, you may at the end of sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows duties performed, you should refer here before proceeding.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way after entry to settlement, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form supplied you should be sent here to complete case with the report.

N.W. 4-2-27-W. 4th Mer.

Please see communication hereunder from Mr. J. W. Jacobs, Barrister of Cardston, Alberta, dated the 25th ultimo, indicating that there is registered against this land a lien made by James Scott through the land having been formerly owned by one James F. Scott.

In conjunction with the representations made, I would ask that you peruse the Registrar's communication of the 2nd instant, from which it will be observed the lien registered against this land is in the amount of $68.00 and was given by James Scott on the security of the S.E. 7-32-1-W. 4th Mer.

On a comparison of the signatures of the lienee and that of the patentee of the N.W. 4-2-27-W. 4, it is evident that they are separate parties and the lien has become registered from the printed list of advances through similarity of name.

The enclosed application for patent

was made on 6th August, 1919,

but patent has not issued for the following reasons:-

Non payment of the purchase price. Expired certificate of recommendation #17221 which was issued in favour of the entrant is also enclosed herewith. Cancellation proceedings were instituted against the entry for non payment on the 10th December, 1926, and are still outstanding. Dear Sir:-

I am advised by E. A. Mason, Inspector, The Great-West Life Assurance Company, Hanna, Alberta, that a lien for $68.00 is registered against the above described land in the name of James Scott. Satisfactory evidence has been submitted that the James Scott who is title-holder of the E.½ 30-31-12 W.4th Mer. is not the James Scott who executed this lien for $68.00, which was given on the specific security of the S.E.¼ 7-32-1 W.4th.

You are, therefore, hereby authorized and requested to remove the said lien from title to the E.½ 30-31-12 W.4th.

Re: Account of James Scott
S.E. 7-3[illegible]-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder amounting to $68.00 was advanced to James Scott on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 68.00	$ 129.02	$ 197.02

Patent was issued in the name of James Scott for the S.E. 7-32-1-W4 on the 19th of November 1919, subject to the 1915 lien.

In 1921 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes but the Municipality apparently never bothered to acquire title to the land due to its low value.

The land is situated in a poor district where the debtor has never been able to carry on successful farming operations due to hail and drought.

The land is assessed as of very low value and there is an accumulation of $443.91 arrears of taxes outstanding against this quarter section. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

In reply to your letter of the 19th ultimo, I am to ask that you have a Homestead Inspector investigate and report with as little delay as possible as regards the actual settlement duties, if any, performed to date in connection with the existing homestead and pre-emption entries for the land above described.

Pending the decision of the Department upon receipt of the report required the cancellation proceedings outstanding will be held in abeyance.

The father of the late entrant, Wm. A. Graham, of Peterboro, Ontario, The Trusts and Guarantee Company of Calgary, Alberta, and Messrs. 19th of April, 1910.
N.E.¼ 30-26-16-W. 4th M.-Pre-emption.
Since the 7th of March, 1911.
Entries of the late William B. Graham.

Cancellation proceedings were instituted on the 5th of April, 1916.

On the 17th of April, 1917, the Trusts and Guarantee Company, Ltd., of Calgary, asked for an extension of time so as to get some one to complete the required duties. They were allowed until the 15th of July following to furnish Letters of Administration or Letters Probate as well as a statement of the work done.

The Company has not yet been heard from but on the 20th of August last Mrs. William A. Graham of Peterboro, Ontario, wrote the following letter to the Agent at Calgary who transmitted the same here on the 12th of September.

"We only heard yesterday through our lawyers clerk that you purpose cancelling the homestead and pre-emption of the late W.B. Graham."

"I cannot understand why our lawyer who has been looking after our interests is away on his holidays and won't be home till September so I thought I had better state our case to you and probably there would be no trouble in stopping any proceedings you may have started."

"We sent $100 to have a shack built and paid another $100 for breaking and The Trusts and Guarantee Company for administration so that we have been at quite an expense trying to do our part. Owing to the scarcity of labor they could get no one to crop it and the only man we know is at the front (Leonard Bell) and we have had no word from him. I have been hoping we could sell out our interests and realise something on his estate to repay us some at least of our expenses."

-"To begin-

"To begin with his father gave him $1000 for a start. The most of it was spent on a team and implements and breaking. He was on his way to finish his homesteading when he was taken ill. We settled his hospital bill and Doctors etc. which cost us another $1000."

"We have not been able to look after it personally and have been depending on the Guanantee Co. to look after our interests there and to Mr. Goodwill here in Peterboro."

"It would appear we have been sending good money after bad but probably when you know the facts you will stay proceedings for another year or two till the war is over and help can readily be had."

"Hoping to hear from you favorably."

The Agent then instructed a Homestead Inspector to visit the land and in his report of the 22nd ultimo that Official sets out as follows:-

"No residence".

Cultivation:-

30 acres broken of no value grown up to grass.

Area fit for cultivation--300 acres.
Sloughs--20 acres.

General Remarks:-

"Visited above land there is 30 acres broke which is of no value. Grown up to grass and weeds. No other improvements. The Trusts Company asked Mr. Campbell if he would break 50 acres but it was too dry to do breaking this year."

Please say what action you now desire taken.

With further reference to your late son's entries for the above half section, I beg to say that according to a recent report from the Homestead Inspector, thirty acres had been broken on the land but they have grown up to grass and there are no other improvements.

It would appear that the Trusts and Guarantee Company, Ltd., asked a Mr. Campbell if he would break fifty acres but it was too dry to do the work last year.

You will readily understand that both entries are clearly liable to cancellation but before taking final action you will be allowed thirty days from this date within which to make any representations you may wish.

Up to the time of writing the Trust Company has not furnished the Department with Letters of Administration or a certified copy thereof.

Mr. Hume.

Please see the memorandum of the 28th of March, 1918, marked.

On the 3rd ultimo, Mrs. William B. Graham was allowed thirty days within which to make any representations she wished in reference to completing the unfulfilled duties in connection with the homestead and pre-emption entries of the late William B. Graham for the East half of 30-26-16 W. 4th M.

In her letter of the 16th instant, Mrs. Graham states as follows;-

> "Your letter of the 3rd received. I shall be very sorry indeed if after all we have spent on that western property we have it cancelled on us. Just now my daughter is ill & I am not in a position to do anything as it will be some time before we can expect her to be about. We had planned to go west & attend to it personally. My son spent about $800 homesteading it, of course a team of horses, wagon fencing etc took up the greater part of that money. I understand 15 acres were broken & we certainly sent $120 to have 30 acres broken in 1914 & 100 to put up a shack & paid the Trust & Team Company for administering. Our lawyer has been in Florida & I will show him your letter as soon as he comes home. Could we still own interest in it or could you by any means let it stand another year."

MEMORANDUM:

Mr. Hume

N.E.¼ 30-26-16-W.4th M.
Homestead - Claude L. Slater,
Entry granted - 14th November, 1918.
.....

Inspector Fleming reported on the 28th August, 1923, that the entrant had performed six months' residence in 1922.

In his general remarks he stated "that he had visited the above land and vicinity; Mr. Slater was on his land last summer in 1922 for 6 months so people in vicinity claim was called home to Ontario last fall on account of the death of his mother and has not returned."

In view of this report, cancellation proceedings were instituted on the 3rd October last on behalf of the Department on the grounds of default in duties.

No defence was filed.

Inspector Cloakey in a report dated the 19th October, 1923, in connection with Seed Grain stated that this man left the district about a year ago and is in the United States, but that he could not find out his address and that he was not expected back in this district; that this is a very rough piece of land and only fit for pasture - all fenced with two wires and willow posts, in poor repair; that there is an old shack on the land but of no value and the breaking has all gone back to weeds.

In view of the fact that the entrant has had this land for over five years and the only duties performed by him is six months residence in 1922, I would suggest that his entry be cancelled and the land posted for leasing only.

Mr. C. K. LeCapelain,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Claude L. Slater
N.E. 30-26-16 W.4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $78.50 was advanced to Claude L. Slater on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 78.50	$ 164.62	$ 243.12

The N.E. 30-26-16 W.4. was formerly the homestead entry of Claude L. Slater and was cancelled on the 19th May, 1924, and is still unalienated Crown Land held in the Right of the Province.

In reply to our questionaire concerning the N.E. 30-26-16 W.4. of the 19th May, 1952, J. H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

> "This parcel is unalienated crown land occupied at present under grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicated that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

C. W. Gilchrist.

Sir,

I filed with South African Scrip on West half Sec. 2 Tn. 7 Rge 4 W 4 Mer. on the last day available for doing so the 31st October 1913. It was the only land available at that time near my ranch so to save Scrip I filed on it, believing that I could abandon it & file on other land.

This half is of no use for farming & of little use for grazing purposes being an alkali flat.

Can you allow me to abandon now & file on another half? There is a half section adjoining my land which was at one time reserved for stock watering purposes but which has been withdrawn. I applied to lease it but was notified that it was to be reserved to see if the people in the District required it for watering. Outside of this half there is plenty of water for man & beast.

It would be a great favour if you would allow me to exchange these two

halves mentioned

You will think me long in applying for this but was told that it was impossible to get it exchanged. Lately I have heard that there have been some cases where it has been allowed.

Hoping to have a favourable reply I am

If request is to be considered a report from Mr. Hume would appear to be necessary.

20th March, 1918.

Memorandum,
Mr. Hume:

Re W. ½ of 2-7-4-W. 4th Mer.
Scrip location, John Read.
Entry granted, 31st October, 1913.

Kindly peruse Mr. John Read's letter hereunder of the 6th instant, wherein he makes application for permission to transfer his scrip location for the land above described, to another half-section more suitable, in his estimation.

While I understand that under the regulations there is no provision made for an interchange of this nature, feeling that possibly in view of exceptional circumstances a request somewhat similiar was granted, I submit the matter for instructions as to the necessary reply to be made.

Mr. Read sets out that he filed on this half-section to save, as he thought, his scrip, thinking that he could subsequently abandon and re-locate elsewhere, and that it was the only half-section near his ranch that was available at the time. He refers to a half-section that is adjoining his land which was at one time reserved for stock-watering purposes but which has recently been withdrawn. He states that he applied to lease this half-section but was advised that it was reserved to see if the people in the District required it for watering.

If, as he states, the half-section he wishes to file on is a cancelled stock-watering reserve, it is not likely that in any event, he would be able to procure the same.

Land:— W ½ of Sec. 2 Tp. 7 Rg. 4. W 4th M.

General Remarks Continued: -

Sir,-

Replying to your letter of Oct. 26th 1918, re above land. I beg to say that upon visiting this land I find that there is only about 35 acres of arable land on whole half section, which is situated on the south-east corner of the S. W. Quarter. Balance of land is too alkali for farming purposes, except a narrow strip on West side of the Section, which runs up on the side of a coulee, and which is too rough and hilly to be broken and cultivated. This land is very much more suitable for grazing purposes, but on account of there being so much of it alkali, it is not even real good grazing land.

S.A.V.S. entry of John Read.
31st October, 1913.

Mr. Read has made a request to have his entry for the above land transferred to another half-section more suitable, in his estimation, for agricultural purposes.

Mr. Read states that he filed on this half-section to save, as he thought, his scrip thinking that he could subsequently abandon and re-locate elsewhere, and that it was the only half-section near his ranch available at that time. He referred to a half-section adjoining his land which was at one time reserved for stock watering purposes, but which has been withdrawn, and asks permission to obtain this half-section.

When Mr. Read's request was received this case was submitted and instructions from the Commissioner's office were to obtain a Homestead Inspector's report. The report of the Inspector is now to hand and he states as follows:-

"I beg to say that upon visiting this "land I find that there is only about 35 acres "of arable land on whole half-section, which is "situated on the south east corner of the S. W. "quarter. Balance of land is too alkali for "farming purposes, except a narrow strip of west "side of the section which runs up on the side "of a coulee and which is too rough and hilly to "be broken and cultivated. The land is very much "more suitable for grazing purposes but on account "of there being so much of it alkali it is not "even real good grazing land."

Kindly advise what action should be taken in connection with Mr. Read's request.

MEMORANDUM:

Mr. Hume,

RE/W. ½ 2-7-4-W. 4th M.
S. A. V. B. L. C.
John Read.
Date of entry-31st October, 1913.

Mr. Read wrote the Department in March, 1918 asking permission to abandon his entry and select other land in lieu thereof; representing this half section as not suitable for agricultural purposes. A homestead Inspector was detailed to ascertain the character of the land and in view of the nature of the Inspector's report of the 23rd February, 1919, it was decided to allow Mr. Read to select another half-section and have his entry transferred thereto provided the selection was made before the end of 1919.

Mr. Read did not report a selection to the Department and a Homestead Inspector was asked to ascertain what if any settlement duties he completed on his land grant.

Homestead Inspector Mayberry reported 6th March, 1922, as follows:

"No residence; no improvements; ownership of
"horses; 1919; 30 head; 1920, 25 head; 1921,
"27 head; nature of soil Alkali flat; Subsoil,
"Clay; area fit for cultivation none; General
"Remarks; Mr. Read is not in residence at
"present nor has never uput in any residence.
"James Hassond is looking after Read's stock,
"Mr. Read informs me that he intends building
"and fencing as soon as spring comes and going
"into residence to prove the land for pasture.

Kindly advise whether the Agent at Lethbridge should be instructed to institute cancellation proceedings against the entry under section 26 of the Act. The sixty days which would be allowed the entrant to file a defence I think would be sufficient time for Mr. Read to submit evidence of good faith.

N.W.¼ 35-6-3-W. 4th M. (Pre-emption)

W.½ 2-7-4-W. 4th M. (Volunteer Bounty Homestead)
Entries of John Read.

I am submitting this case to ascertain whether the surplus residence performed by Mr. Read over and above that required in connection with his homestead and pre-emption entries may count as residence for his Volunteer Bounty Homestead.

According to the pre-emption file Mr. Read lived on his homestead from June, 1897, practically continuously until the 20th August, 1916, the exception being about seven months during the year 1909 when he was not in residence. According to his application for homestead and pre-emption patent he owned a great number of stock from the year 1897 to the year 1917, from the years 1913 until 1917 he was owner of 200 head of cattle and 300 horses in each of those years. You will note from form 58 on the homestead file that he has owned as many as 1500 head of stock in a year.

In March, 1918, Mr. Read asked permission to abandon his Volunteer Bounty Homestead and select other land in lieu of more suitable. In view of his claim, a Homestead Inspector reported and Mr. Read was allowed to select another half-section and have his entry transferred thereto.

He did not report a selection and a Homestead Inspector was asked to ascertain whether any settlement duties had been done on the Volunteer Bounty Homestead. On the 6th March, 1922, Homestead Inspector Mayberry reported as follows:--

"No residence, no improvements, [illegible]
"of horses: 1919, 30 head; 1920, 25 head;
"1921, 27 head. Nature of soil Alkali flat;
"Subsoil, Clay; area fit for cultivation
"[illegible] General Remarks: Mr. Read is not in

"residence at present [illegible]

"residence at present nor has never put
"in any residence. James Hassond is
"looking after Read's stock. Mr. Read
"informs me that he intends building and
"fencing as soon as spring comes and
"going into residence to prove the land
"for pasture."

This case was submitted on the 22nd March last and instructions were given to institute cancellation proceedings under Section 26. This action was taken and Homestead Inspector Mayberry again reported under date of the 30th ultimo as follows: "Fencing--Was all fenced is now in bad order." In his general remarks he states:--

"The above mentioned land is very rough
"rolling and suitable for grazing only.
"Mr. Read has never resided on this land
"as he held a homestead on next section
"to it. He lived on his homestead and
"ranched for several years and has still
"got horses running on this land. He was
"not on military service during late war.
"I did not accept Mr. Read's application
"for patent as he had not resided on the
"land. Mr. Read would like to hold this
"land. I would consider it worth $3.00
"per acre for pasture purposes."

In view of the Inspector's report, you will note that this land appears to be only fit for grazing, and it would also appear that Mr. Read is now running stock thereon.

In view of the foregoing, kindly advise me if the question of allowing Mr. Read to count the surplus residence performed in connection with his homestead and pre-emption ~~be allowed~~ to count in connection with his Volunteer Bounty Homestead.

Although I have not [illegible]
practice to require actual
residence on the V.B.S., I think the Dept might
safely consider allowing residence on homestead (after
completion of homestead and preemption duties) to count
Distance between parcels about six miles.

Sir,

Re W.½ 2-7-4-W. 4th M.

Referring to your Voluntier Bounty Land Grant for the above land, I am to advise you that the Department is in receipt of a Homestead Inspector's report on this ~~quarter~~ section which shows no residence performed on the same. In this connection, I am to point out that cancellation proceedings were instituted against your entry on the 4th April last for failure on your part to apply for patent within five years, and under the circumstances, your entry is liable to immediate cancellation. In view of the general winter protection, however, it has been decided to hold over the proceedings until the 1st April next on the understanding that by the date mentioned you will satisfy the Agent of ~~Dominion~~ Lands at Lethbridge that you have gone into residence on your land with the intention of remaining thereon and completing your duties without further delay. I may point out that residence in connection with this entry must be performed on the land itself and not in the vicinity.

(a) In 1915 fodder amounting to $70.00 was advanced to Edgar Murphy on the security of the above mentioned land. A payment of $20.00 was received in 1918 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 59.35	$ 100.13	$ 159.48

(b) In 1919 and 1920 seed grain amounting to $149.00 was advanced to J.A. Stainthorpe on the security of the above mentioned land. A payment of $9.95 was received in 1917 and applied to the principal. The present standing of this account is:

Principal	Interest	Total
$ 139.05	$ 315.49	$ 454.54

The S.W. 2-11-14-W4 was formerly the homestead entry of Edgar Murphy on which security he obtained an advance of fodder in 1915. His entry was cancelled on the 12th of December 1917. The land was later re-entered upon by J.A. Stainthorpe who agreed to assume the indebtedness of the former entrant. In 1919 and 1920 he obtained advances of seed grain on the security of the S.W. 2-11-14-W4. The entry of J.A. Stainthorpe was cancelled on the 1st of September 1923, and the land is still Crown Land held in the right of the Province.

In reply to our questionnaire of the 6th of November 1952, E.P. Shaver, Acting Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This quarter section is included in Grazing Permit No. 7757, held by Albert Torrie of Grassy Lake, Alberta. The permit expires on March 31st, 1953, and Mr. Torrie has prior right of renewal if he so desires.

The land is located outside of the settlement area, and it is not likely to be used again for farming purposes."

The information obtained indicates that the land is theretable for farming purposes and no longer offers any security for our advances. Under the circumstances it is recommended that this indebtedness be cancelled.

The Honourable Charles Stewart,
Minister of the Interior,
Ottawa.

Sir,

Re: Request for Transfer of Lennie Homes.

Re: Norman A. Walker, #7246.
[illegible] - Sk.

In the above named settler's file dated [illegible] from the Board to settler [illegible], the Board took a charge upon his pre-emption homestead above described, subject to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Walker requesting that patent to his homestead should be issued in favour of the Board. Mr. Walker states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter of December 30th, 1921, from the Assistant Secretary of the Department to the settler, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in the case of this character, special regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1921 (P.C. 1021), which sanctions the transfer, prior to the completion of duties by the settler and on the payment to the Board, to meet the settler's right, title and interest in the pre-emption held by it in the Land Registry Office, title remaining in the Board until the settler's indebtedness to it has been paid.

(Ref. 2[illegible]15)

22nd November, 1916.

Madam,-

I beg to inform you of the receipt of a report from an official of the Department from which it would appear that you have not performed any residence in connection with your Volunteer Bounty Land Grant, the West ½ of Section 13, Township 74, Range 10, West of the 6th Meridian, since the 24th May, 1914, and that the necessary cultivation has not been completed, inasmuch as you have had only twenty acres of the land under crop. The Inspector also reports that the residence which you performed in connection with your Volunteer Bounty Land Grant for the . ½ of 7--74--9--. 6th Meridian is unsatisfactory as during the years 1915 and 1916 your actual place of residence was on your husband's homestead on the adjoining quarter-section.

2 ENCLS

The cultivation duties in connection with this land are also in default as the total area ploughed is twenty acres only, whereas your entries call for the completion of thirty acres in each case.

Kindly execute a sworn statement of the residence and cultivation completed in connection with each entry and forward the same to the Agent

The Department is in receipt of your different declarations bearing date the 5th ultimo, filed with the Dominion Lands Agent at Grande Prairie in the matter of the settlement duties performed in connection with your scrip locations above described.

In reply I am to inform you that entrants are expected to complete the duties required and make formal application for patent within a period of five years from date of entry, and that failure to do so leaves the entry liable to forfeiture at the discretion of the Minister.

While not in default as regards residence in connection with the South half of Section 7, you are deficient in the way of cultivation. It is also noted you are in default in the way of residence and cultivation in connection with the West half of Section 13, thereby leaving your entries open for inspection and the institution of cancellation proceedings with a view to cancellation.

I am in receipt of your letter of the 17th ultimo, (your file 2214) forwarding [illegible] the application for patent for the above [illegible], and to advise you that the evidence submitted does not show that Mrs. Conning has completed cultivation duties, even allowing her credit for the full settlement as set forth in the application for patent. I might here state that some of this evidence is discredited by previous statements from Mrs. Conning and by reports of homestead Inspectors.

In view of the fact that Mrs. Conning holds [illegible] Dominion Lands and that her husband holds land in the vicinity of Calgary, it is considered advisable to have a Dominion Lands Inspector look into the question of the circumstances of [illegible] and furnish a full report.

The Inspector should make careful enquiry as to whether Mrs. Conning has actually resided on her own homestead entries or whether she has been living with her husband on the S.E. ¼ 7-7[illegible]-9-W4M.

Madam:

Replying to your letter of the 7th November last transferred to this Department by the Department of National Defence, respecting the claim of your husband, William John McElhayer, for Military Bounty in connection with his services in the South African War, I beg to inform you that the claim of William John McElhayer for Military Bounty in connection with his services in the South African War was satisfied by South African Volunteer Bounty Land Certificate No. 7181 which was forwarded to him at Johannesburg, South Africa, under cover of letter dated the 31st March, 1911.

Mr. McElhayer evidently disposed of this certificate as there is on file here an instrument appointing his substitute dated at Johannesburg, Transvaal, South Africa, the 27th May, 1912, signed W. J. McElhayer and witnessed by S. L. Harris, P.O.Box 2206, Johannesburg.

Mr. Harris made the usual affidavit of execution at Johannesburg on the 27th May, 1912, before H. D. Bernberg, a notary public, whose seal is attached to the document.

This instrument was received in the Department together with the certificate issued to Mr. McElhayer in August, 1912, where it was duly registered and the certificate endorsed in accordance therewith. Subsequently this certificate was located in the name of the substitute Gunhild Ronning, of Bardo, Alberta, on the W.½ of Section 13, Township 74, Range 10, West of the 6th Meridian, which land was duly patented to Mrs. Ronning after the necessary duties had been performed.

No. of Report - 190.
Name of Homesteader,- W.J.ALLIN.
Land,- W.½ of 28, and E.½ 30- 72- 4- W.6th M.

Mr. W.J.Allin filed a Scrip on East half Sec. 30-72-4- on Aug.22,1911. He also filed a Scrip on W. ½ of Sec.28- 72- 4- on 6th Nov.1911.

Mr. Allin took up residence on E.½ Sec.30, immediately after entry and performed the first six months. In February 1912, Mr. Allin made a trip out to Edmonton for supplies and returned in March, being absent about six weeks. On his return he took up residence on W.½ Sec.28, and continued for more than six months. In December,1912, or January,1913, Mr. Allin left the settlement and has not returned.

At time of inspection there was no one in residence on either of these lands. On the E.½ Sec.30 there was a log house and a log stable both cheaply made of small poplar logs value of both.....$50.00. There were ten acres in stubble evidently cropped last year and seven acres more ploughed and disked ready for the seed drill making seventeen acres under cultivation. There was also a few rods of two rail fence now out of repair.

On the N.W.¼ Sec.28, there was a roughly made frame cabin with an addition for a stable. It was sided up with dressed lumber and roofed with boards and could be used during the summer months, value $25.00. On this quarter there is also ten acres in stubble evidently cropped last year and six acres more ploughed and disked ready for the seed drill, making sixteen acres under cultivation.

The cultivated land is fenced in on three sides with a two pole fence. The buildings were put on each Scrip by Mr. Allin and the land now in stubble was cultivated under his direction. The land now ready for seed was made so by the uncle of Mr. Allin who resides on the N.E.¼ of Sec.28-72-4-W.6th M., adjoining.

The exact dates regarding the residence of Mr. Allin could not be any more fully ascertained as the people living in the vicinity had only a general idea of Mr. Allin's movements.
